The team was picked to finish in the conference cellar but fought back against all odds to surprise all the so called experts. The team showed much desire and determination all year especially in upset wins over Lynn Classical and Danvers. The team had a five game conference winning streak which has never been done by a Saugus Football team.

Saugus co-captains were Mark Strangle and Anthony Guthro. The players would like to thank coaches Mike Ginolfe, Kevin Ward, Mike Bontempo, Pat Peterone, Don Trainor and Dave Soper for all the work and effort and for never giving up on them even when things were not going good.

Pam led the team in scoring with 21 goals and 9 assists while Lori was second with 6 goals and 5 assists. The team placed four all-stars on the Conference Team which included: Pam Thorton and juniors, Sharon Serino, Colleen Wall and Kim Carter. HIGHLIGHTS OF THE 1982 GOLF TEAM

Although our golf team record this year was a respectable 6 wins and 5 losses, I felt that our potential was not achieved. Team captain, Scott Sarver played extremely well all season as did our number two, Fred Moore. An early loss to Salem in September really gave us a jolt. In 1981 we were undefeated and we expected to be somewhat stronger this year especially with the addition of Ed Kinnally and Mike Papsadora. Fine golfers Mike Soper and Scott Westlake round out our golf team.

Our second league match was against a weak Lynn Classical and it was consequently, an easy win for us. Next on our schedule were Marblehead and Swampscott and they beat us fairly easily. Both these losses were unexpected because they were home matches. Next was an away match against Danvers High School and we beat them $7\frac{1}{2}$ to $4\frac{1}{2}$ which came at the right time. Lynn English destroyed us and the feeling for a second league championship was pretty much diminished.

We proceeded to win our next two league matches against Gloucester, with a $7\frac{1}{2}$ to $4\frac{1}{2}$ win and then a 9 to 3 win against Beverly. This gave us a winning streak against Beverly, three in a row. Then came the game with Winthrop, at home. Surprisingly, they beat us with the closest score of the year, $6\frac{1}{2}$ to $5\frac{1}{2}$ with the last shot of the match deciding. A two foot putt.

This season we lost matches we should have won. To add strength to our first two teams, we moved Fred Moore to position three, to team with Mike Soper. This proved to be very successful. Even though Scott Westlake played the best golf of his career, our third team, with Gary Lembo lacked consistency. Team four alternated with Dave Anderson and Ted Raftilis. Bill Morella and Rich Williams improved all season but couldn't win matches consistently.

Winning championships sets goals worth striving for, but this year's efforts were not to be reached.

Tri- captain Dina Diflumeri displayed tremendous improvement and leadership over the season as she averaged 7pts. per game and 9 rebounds. PORTFOLIO

I'd like to be the sort of friend that you have been to me;
I'd like to be the help that you've been always glad to be;
I'd like to mean as much to you each minute of the day as
you have meant, old friend of mine, to me along the
way.

Edga A. Guest

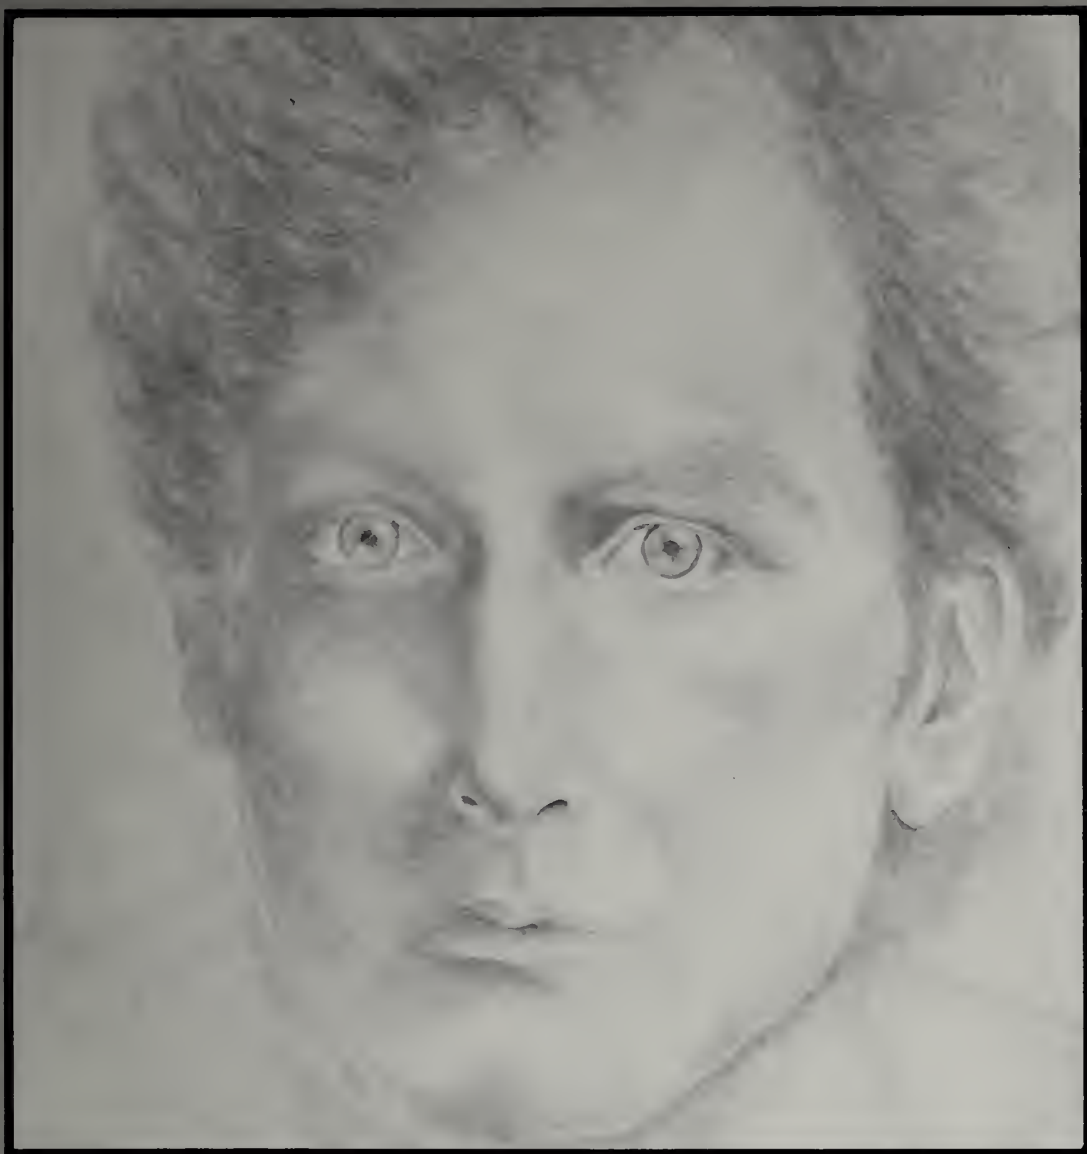

O keep a place apart,
Within your heart,
For little dreams to go . . .

Love Driscoll

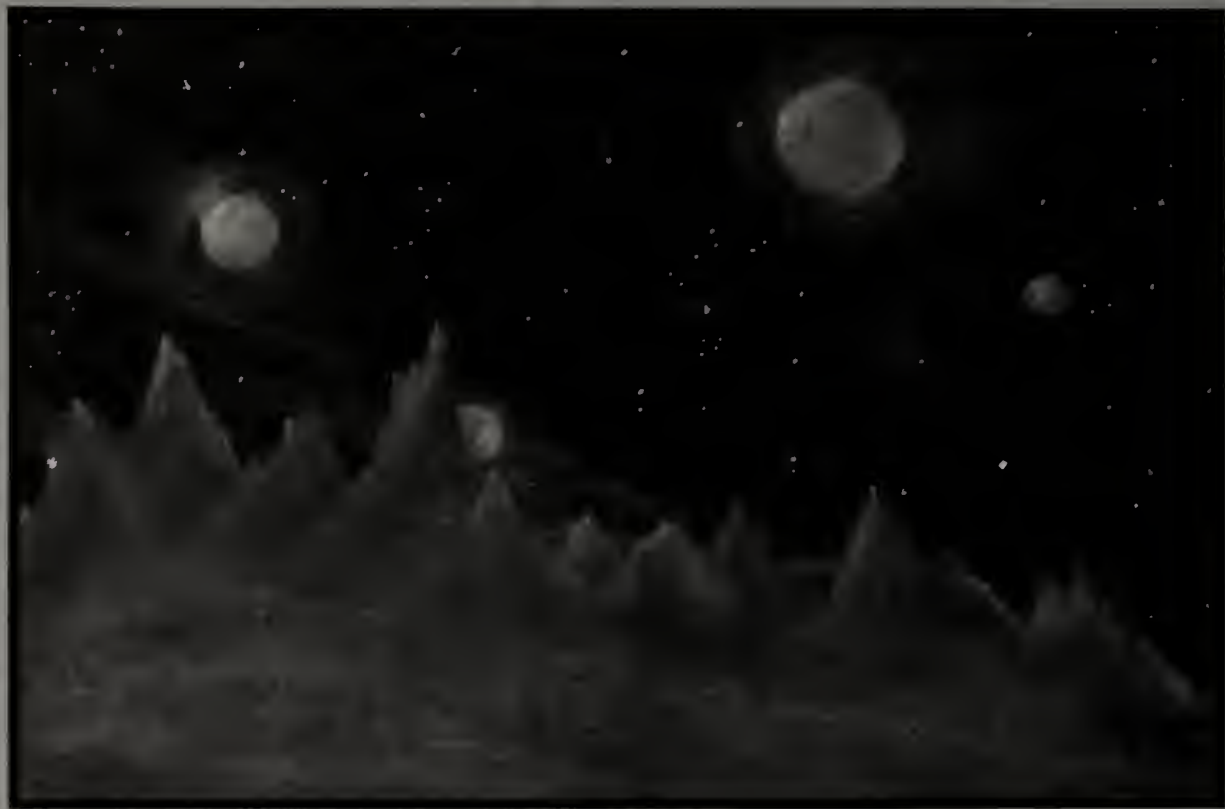

When time has come to say "farewell" and loved ones have to part, there are unsaid words that ne'er could tell, the sorrow that fills the heart.

SAUGUS PUBLIC LIBRARY

Saugus, MA 01906

The background of the entire image is a photograph of a landscape during autumn. In the foreground, there are several trees with branches covered in leaves of various shades of orange, yellow, and red. Some leaves are in sharp focus, while others are blurred. In the middle ground, a calm body of water, likely a lake or a wide river, stretches across the frame. The sky in the background is a pale, overcast blue-grey. The overall lighting is soft, typical of an overcast day in autumn.
